# HAFC PRO STOCK Racing Trailer

**SUPER LOCK.** Screwless Exterior Aluminum system is unique to Haulin Trailers. Lasts longer, looks much better, won't rust. The inter-locking aluminum panels are glued and mechanically fastened so that it doesn't show on the outside.

Our radial tires come with a **FIVE YEAR WARRANTY** and 24/7 emergency roadside assistance (\*with your spare tire available).

Heavy Duty Rear Ramp Door w/Spring assist and flap are standard along with 4 ft. beaver tail for easier on-loading, plus 4 x 5000 lb recessed D-Rings to help secure your load.

New generation LED exterior and interior lights -standard. Engineered for superior performance, LEDs are smaller in size but brighter and more energy efficient than traditional incandescent light bulbs and create very little heat.

All models have DryMax Engineered Flooring, and walls, standard. These high performance engineered panels resist moisture and chemicals -will not absorb moisture, swell, warp, or delaminate. Stronger and stiffer than plywood.

Shown with optional ProStock package interior upgrade.
